FRIDAY FOOD FIGHT

A Fracas Over French Onion Soup (St. Pete vs. Safety Harbor)

DECEMBER 6, 2024 • ERIC SNIDER

When we left Atlanta early Monday morning it was 30 degrees, and upon arriving home we were pleased to see that Tampa Bay was enjoying its own (not that cold) cold snap. As we pulled into the driveway we knew we had to run out and get some soup before the weather warmed up.

We opted for decadent — French Onion.

Onion soups date back to Roman times, but the modern version of French Onion Soup can be traced to the mid-19th Century at a large, open-air market called Les Halles in Paris. Restaurants in the market served the soup with a generous topping of grated cheese. It was known as a peasant food, but also a hangover remedy for the swells who frequented the cabarets into the wee hours.

For this week's contestants, we chose one French restaurant — **Parts of Paris Bistro & Bar** in Safety Harbor — and one French-ish eatery, **Bacchus Wine Bistro** in downtown St. Pete.

Because one cannot live on soup alone, we chose, and split, an entree in each place.

PARTS OF PARIS BISTRO & BAR

There's something about restaurants on neighborhood streets — streets made of brick. We were charmed as we strolled a block or so to
